

User Manual

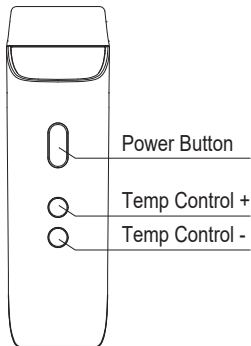

Thank you for purchasing the Healthy Rips FURY EDGE for dry herb, oil & wax. Read and follow the instructions carefully before your first use of the FURY EDGE vaporizer. It is recommended that these instructions are put in a safe place for future reference. Enjoy the quality and performance of your new FURY EDGE!

You must be at least 21 years old to purchase and use the FURY EDGE. This product should not be used by children, women who are pregnant or breast feeding, or those with life threatening illnesses - without first consulting a doctor.

If you have any health issues, consult your doctor before using the FURY EDGE. Any illegal use of this device could subject the user to fines, penalties and/or imprisonment under the law of your jurisdiction. For aromatherapy use only.

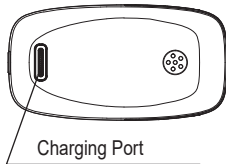

THIS PRODUCT DOES NOT CONTAIN TOBACCO OR CONCENTRATE MATERIALS.

FURY EDGE Overview:

FURY EDGE Start-Up:

1. Charge the unit for 2 hours before first use.
2. The battery will stop charging when the battery icon  is full.
3. Turn the unit on the maximum temperature for a complete 5 minute cycle to burn-off any manufacturing residue.
4. When the battery level is low - charge the unit with the included USB - C Cord.
5. Do not use the unit while charging.
6. Do not charge overnight or unattended.

Important Features:

1. Rapidly click the Power Button 3 times within 2 seconds to power on or off.
2. Press and hold the Power Button for 3 seconds to flip the display screen.
3. Press and hold the Power Button and the [-] button simultaneously for 2 seconds to change the display from Fahrenheit to Celsius or from Celsius to Fahrenheit.
4. Adjust the unit to your desired temperature by using [+] or [-] buttons.
5. The unit has a 5 minute auto shut-off time to preserve your battery and material.

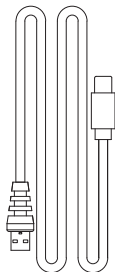

Included in the Box:

Wax & Oil Pad

Silicone O-Ring
and Screen

USB-C Cord

Tweezers

Dab Tool

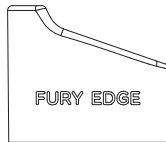

Brush

Accessories
Attachment

Glass Stem
Mouthpiece

FURY EDGE Cover

User Tips:

1. For best results, fill the chamber halfway or more and do not pack your material. Not packing allows the hot air (convection) to flow easily through your herbs for even heat distribution and extraction.
2. Turn off the unit when you are finished by clicking the Power Button 3 times rapidly within 2 seconds. This will preserve your battery life and your herbs.

OLED Digital Screen Displays:
